He said "it is appropriate to pay tribute to all our members over the last 50 years, whose tireless efforts have laid the foundations for the Club we are today. We salute the founders of the Rotary Club of Lismore West, whose belief in our shared ideal of "*Service Above Self*" all those years ago, led them to realise that they could make a better world – and gave them the inspiration to take the first step.

I would also like to recognise all our Rotary wives and partners for the work they do "behind the scenes" to help make our Rotary activities, events and fund raisers so successful".
